

## COVID-19 Safety Rules for Jack Boynton Community Pool – Summer 2020

To protect our staff and visitors, the Pool has adopted the following COVID-19 Safety Rules:

### (1) Pool Capacity/Hours/Reservations:

- No more than 75 visitors and 35 visitor groups will be allowed inside the Pool grounds.
- To accommodate more visitors, the Pool will open for two daily sessions (1-3:45 p.m. and 4:15-7 p.m.). The Pool will be closed from 3:45 to 4:15 daily for cleaning.
- Visitors may reserve a space on-line. Visitors without reservations will be admitted on a first-come, first-served basis, but are not guaranteed admission.
- Children under 14 years old must be chaperoned by someone 16 years old or older.

### (2) Masks/Physical Distancing:

- Masks are required in all common spaces, including the Pool entrance, Pool House, and Concession line. Masks may **not** be worn in the Pool. Masks are recommended, but not required, in all other areas within the Pool grounds.
- Visitors should maintain a 6-foot distance from other groups both inside and outside the Pool.
- Visitors must bring their own chairs/towels and sit in a designated, physically distanced space around the Pool. Each space should be used by one group of no more than six (6) people from the same household.
- To maintain physical distancing, no more than one visitor group is allowed at the Front desk, two visitor groups in the changing rooms/bathrooms, and three visitor groups in line for Concessions at any given time.
- To limit the potential for contact exposure, the Pool will not provide chairs, pool toys, swim vests, ping pong, foosball, or other shared equipment this summer.
- To ensure adequate space for social distancing, there will be no volleyball, dodgeball, or other active games within the Pool grounds this year.

### (3) Illness/Symptoms:

- Visitors must confirm that no one in their party is experiencing fever, cough, shortness of breath, or other COVID-related symptoms and that no one has been exposed to a known case of COVID-19 in the past 14 days. Anyone who is experiencing symptoms or has had a recent exposure will not be admitted.
- Patrons should notify the Pool if anyone in their party begins to experience COVID-related symptoms or is diagnosed with COVID-19 within three (3) days of a visit.

### (4) Violation of Rules;

- Visitors will be given one warning for rule violations. For a second violation, visitors will be asked to leave the Pool. Anyone ejected from the Pool more than once will be barred for the rest of the season.
- Anyone who responds aggressively to pool staff trying to enforce the rules will be asked to leave the Pool immediately and may be barred for the remainder of the season.
- No refunds will be provided if a visitor is ejected or barred for rule violations.

I have read and understand the above COVID-19 Safety Rules. I agree to comply with these rules and to ensure that members of my household and any of my guests will comply as well.
